Emil Kayumov

Moscow, Russia

+7 (915) 318 6046

emil.kayumov@gmail.com

Date of birth: 1995, October 24

- Education

2013-2017
Incomplete Bachelor Degree
Moscow State University
Faculty of Computational Mathematics and Cybernetics
Department of Mathematical Methods of Forecasting
Main subject: machine learning
GPA: 4.85/5.00

since 2014
Coursera courses: machine learning, R programming, data scientist toolbox, microeconomics, macroeconomics, game theory, hadoop platform and application framework

- Experience

since 2014
Kaggle data competitions

- Professional skills

Programming languages: Python (NumPy, SciPy, Pandas, scikit-learn, XGBoost), C, C++ (STL, C++11), R
Machine learning, data analysis, statistics, algorithms, data structures

- Language

Russian - native
English - intermediate

- Achievements

2015: Kaggle – top 10% (2 times)
2015: Yandex Data Science Night – first place in blitz problems
2016: Skoltech HackRace Hackaton – first place
